

COURSE DESCRIPTIONS

“S.W. WELDING ACADEMY” & “KLK School of Welding & Theory, Inc.” FOR THE BEGINNER AND ADVANCED WELDER

This course is designed to teach industry principles of welding and cutting with emphasis on hands-on-instruction. A customized welding class for the beginner to the advanced welder, where learners have a choice in welding processes based on individual needs. Instruction includes welding safety, theory and welding techniques utilizing common welding processes in the areas of Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Gas Tungsten Arc Welding (TIG), Oxyacetylene cutting and Plasma cutting. Welding and cutting position skills are taught based on student skill level and desired occupational needs. This course will meet Monday and Wednesday evenings from 6:00 PM – 8:30 PM for 16 weeks. Students are required to supply their own welding safety apparel. Opportunity to purchase required welding safety apparel, attendance requirements and required textbook/workbook will be explained the first evening of class. A certificate of completion will be awarded at the end of the semester. Cost for the class is \$1600, which includes the cost of the books, for new students and \$1400 for returning students.

South Western senior high school students can receive one (1) high school credit upon successful completion of the class.
