Superintendent Search Focus Group Discussions

The search for our district's next superintendent is officially underway, and we welcome your involvement in the process. *The South Western Board of School Directors invites all community members to participate in a Focus Group Discussion.*

Date: March 21, 2017

Time: 6:00 PM to 8:00 PM

Location: Emory H. Markle Intermediate School Auditorium

We have asked our search consultant, Tom Templeton, to facilitate Focus Group discussions with various stakeholders in the district. Mr. Templeton will be providing us with a detailed report on the results.

We are striving to make sure everyone feels comfortable attending and expressing their views with candor and honesty. Mr. Templeton has conducted many focus group sessions with educational/community organizations around Pennsylvania, and is skilled at presenting the information to the Board with professionalism, and in a manner that respects everyone's involvement.

The purpose of the Focus Group Discussions is to:

- Explore the strengths and concerns of the South Western SD.
- Review key issues to be addressed over the next year and beyond.
- Determine the critical skills that will be needed in the next superintendent.

There is no need to RSVP, just attend and participate! In case of inclement weather, you will be notified via email and provided with information regarding new dates. Thank you for continuing to serve the students of South Western.
