Re: UPDATE -SWSD Food Service Meal Pick-ups & SSO Meal Pricing

Date: December 17, 2020

*****Meal Pricing*****

The USDA recognizes that many families are still struggling with the economic effects of COVID-19. As a result, the USDA has extended school meal waivers through the end of the 2020-2021 school year, allowing school districts to serve free breakfast and lunch meals to all children, regardless of a family's economic status.

*****ALL MEAL PICK-UPS ARE AS FOLLOWS*****

* **All District Students** - meal pickups will be Tuesday Evenings from 3:30 PM to 4:30 pm at the High School in the front of the building starting the week of December 21, 2020. The first date of meal pickups will be Tuesday, December 22, 2020. The google meal request form will open each Friday at noon through Monday morning at 8am.

*****Curb-Side Meal Pickups*****

All students who attend SWSD are able to receive free meals via our curb-side meal pick-up line at the SW High School during the designated meal pick-up time during our remote learning days. To help the service process, please have your child(ren)'s last name when picking up meals. You must use the link to our pre-order form that is on the homepage of the district webpage for your convenience to pre-order for the following weeks' meal pickups. Each meal will be provided with all components that meet the USDA & NSLP requirements.
